Stefanie Trainor

Stef - when you were 8 years old you asked me if Mom could still see you from Heaven. I said to look up into the night sky, find the brightest star, and that's Mom looking down smiling, watching over you. She would be so proud, as I am, of the wonderful young woman that you have become. So remember, when you think about her, search the night sky for the brightest star and know that she loves you and will always watch over you.
